Volume 19

KATHLEEN SENIOR HIGH

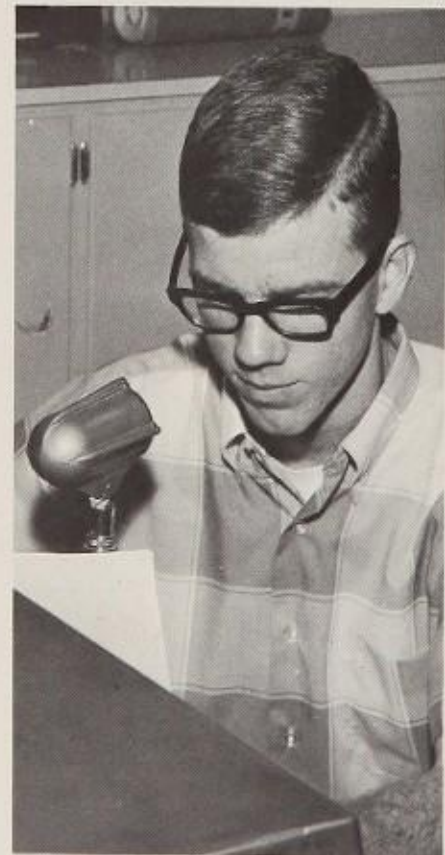

Lakeland, Florida

Foreword

The Trident is a Memory Book for Kathleen Senior High School. A year's life crammed into a few short pages. The whole story you won't find here, only pieces, but pieces designed to jog a thought, a remembrance.

The book is one to be skimmed now, the pictures are to be enjoyed, laughed at, the time for remembering is not 1967 for the past is still too linked with the present.

But when the mists of years haze these days, the Trident will serve as a torch to cut through, to bring back perhaps a smile, perhaps a tear, but always a memory of the *sights and sounds* of K.H.S.

Like shifting sands, the sights and sounds of our school are constantly changing. The sea of new faces is never static. However, there must be some permanent element, a skeleton crew, to bridge the gap from the past into the future, to preserve the traditions of our school and keep alive its ideals. These activities are capably carried out by the K.H.S. faculty.

Effort And Determination Produce The '67 Trident

Alice Sargeant, Lisa Critselous, Beverly Daniel

Under the direction of Mr. Price, Advisor, and Pat Polk, Editor, the Trident Staff produced a new degree of excellence in year-book production for Kathleen High School. Among the new sensations are more pages, largest circulation, most expensive book, and the introduction of the seal on the cover. It is the result of the best efforts of the entire staff. It culminates countless hours of hard work, agonizing frustration and ecstatic moments of inspiration.

We have tried to capture the sights and sounds of Kathleen High as seen in the classroom work and the activities of the student body.

We sincerely hope that the '67 Trident will be an outstanding chapter in the history of K.H.S.
